8867 Biofield

Analysis: General biofield of the Yashwant Bhosale Maharaj Samadhi place has green band. Green is associated with positive vibrations.

8872

8872 Biofield

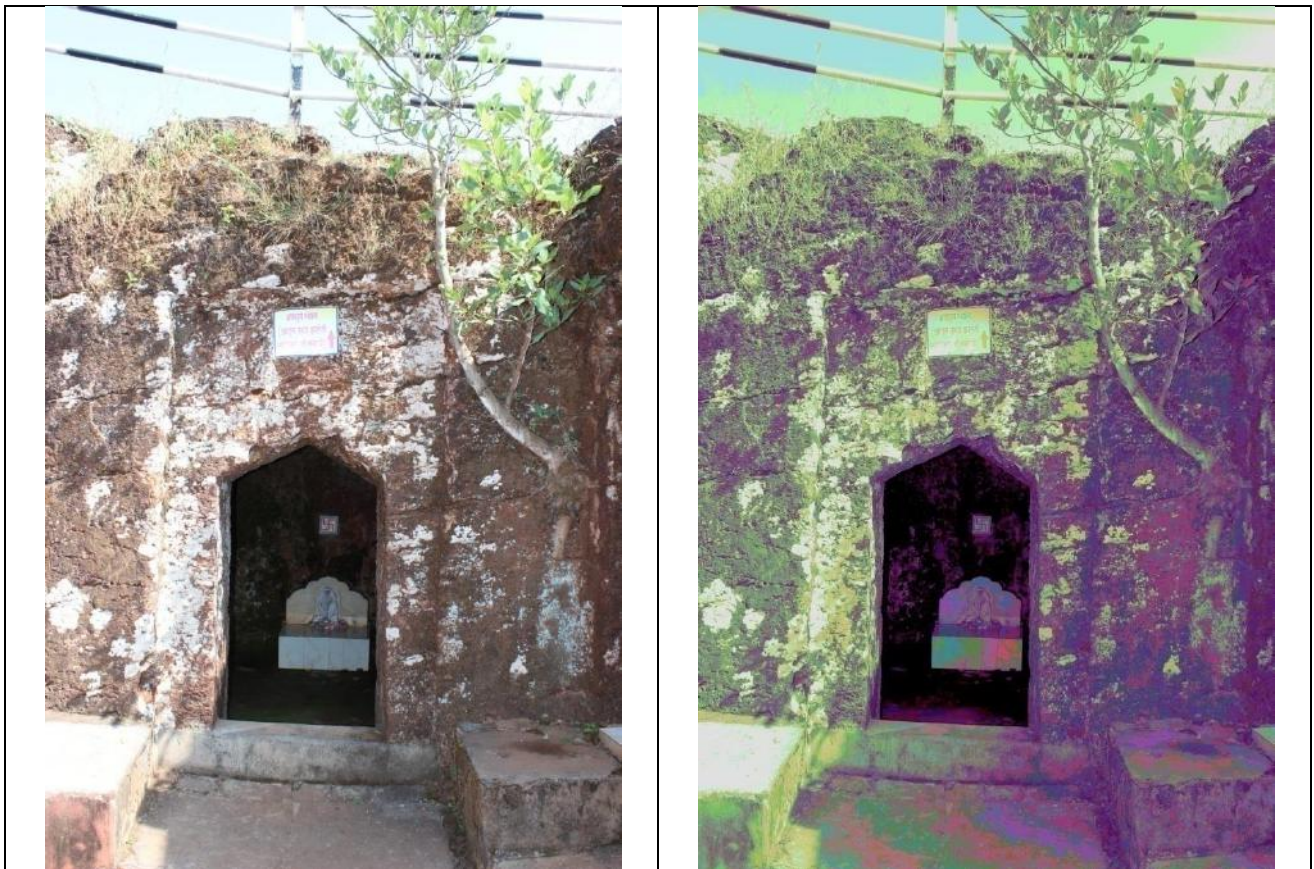

Analysis: General biofield of the Mahadev Pind has green band. Green is associated with positive vibrations.

8877

8877 Biofield

Analysis: General biofield of the surrounding area has green and blue band, green is associated with positive vibrations and blue is associated with cooling/calming vibrations.

8878

8878 Biofield

Analysis: General biofield of the Awadhut place area has green and blue band, green is associated with positive vibrations and blue is associated with cooling/calming vibrations.

	
8901	8901 Biofield
<p>Analysis: General biofield of the place area has green and pink band, green is associated with positive vibrations and pink is associated with healing vibrations.</p>	

	
8902	8902 Biofield
<p>Analysis: General biofield of the Laxman Kuti has green band, green is associated with positive vibrations.</p>	

8903

8903 Biofield

Analysis: General biofield of the place has green and pink band, green is associated with positive vibrations and pink is associated with healing vibrations.

8904

8904 Biofield

Analysis: General biofield of the Laxman Kutli has green band, green is associated with positive vibrations.

8908

8908 Biofield

Analysis: General biofield of the Subjects has green and blue band, green is associated with positive vibrations and blue is associated with cooling/calming vibrations.

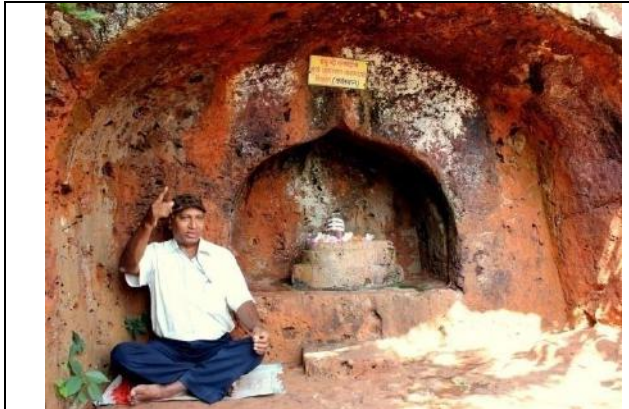

8916

8916 Biofield

Analysis: General biofield of the Subjects has green and yellow band, green is associated with positive vibrations and yellow is associated with spiritual vibrations.

8918

8918 Biofield

Analysis: General biofield of the Taposthan has green band, Green is associated with positive vibrations.

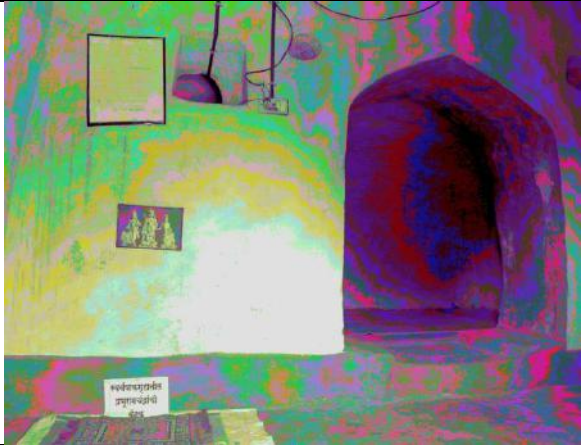

8928

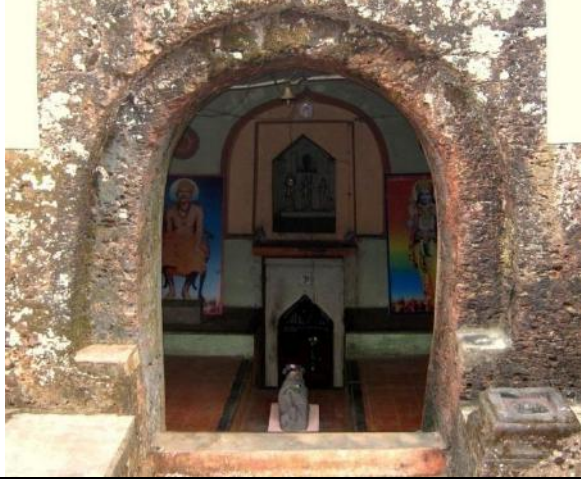

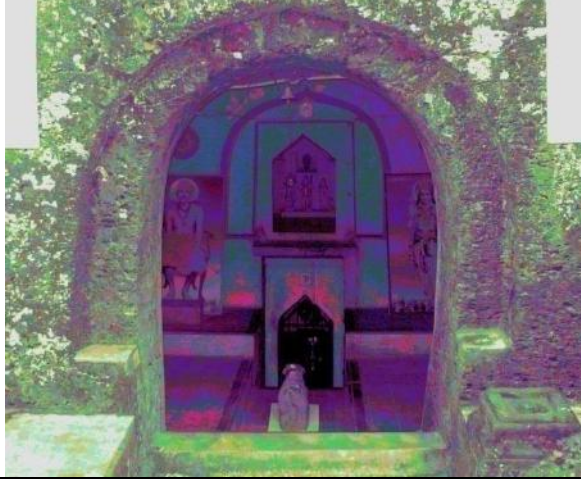

8928 Biofield

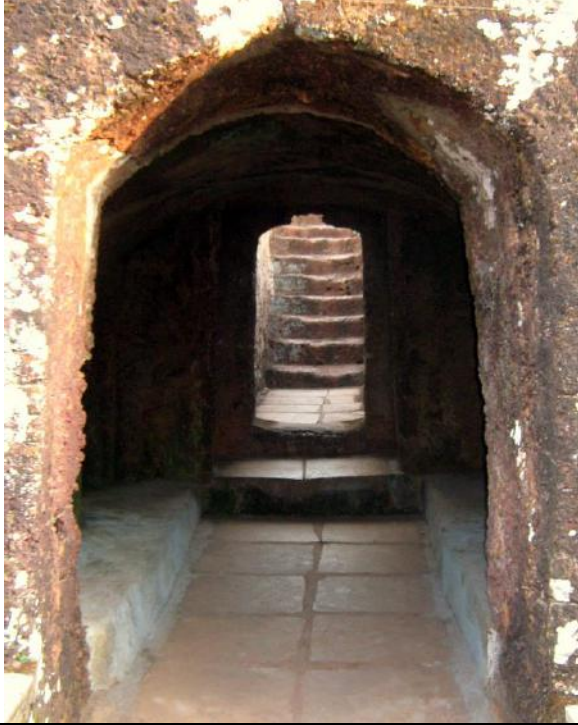

Analysis: General biofield of the Subjects has green and yellow band, green is associated with positive vibrations and yellow is associated with spiritual vibrations.

	
8943	8943 Biofield
<p>Analysis: General biofield of the Prabhu Ramchandranchi Baithak has green and yellow band, green is associated with positive vibrations and bright white band which is associated with higher spiritual vibrations.</p>	

	
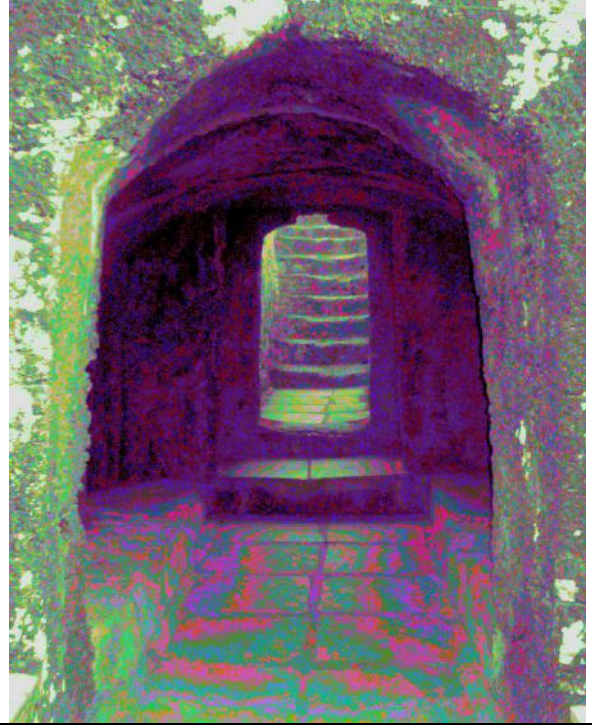

8945	8945 Biofield
<p>Analysis: General biofield of the Ram Mandir, Laxman Mandir and Surya Mandir has green and yellow band, green is associated with positive vibrations, yellow band is associated with spiritual vibrations and it also has bright white band which is associated with higher spiritual vibrations.</p>	

	
Saman 018	Saman 018 Biofield
<p>Analysis: General biofield of the Saman has green and blue band, green is associated with positive vibrations and Blue band is associated with calming vibrations.</p>	

	
Saman 019	Saman 019 Biofield
<p>Analysis: General biofield of the Saman has green and blue band, green is associated with positive vibrations and Blue band is associated with calming vibrations.</p>	

Saman 020

Saman 020 Biofield

Analysis: General biofield of the Saman has green and blue band, green is associated with positive vibrations and Blue band is associated with calming vibrations.
